## Consent for Dual Agency

*(In this form, the word "seller" includes "landlord"; "buyer" includes "tenant"; and "purchase" or "sale" includes "lease")*

### When Dual Agency May Occur

The possibility of Dual Agency arises when:

- 1) The buyer is interested in a property listed by a real estate broker; and
- 2) The seller's agent and the buyer's agent are affiliated with the same real estate broker.

### Important Considerations Before Making a Decision About Dual Agency

A broker or the broker's designee, acting as a dual agent does not exclusively represent either the seller or buyer; there may be a conflict of interest because the interests of the seller and buyer may be different or adverse. As a dual agent, the real estate broker does not owe undivided loyalty to either the seller or buyer.

Before the buyer and seller can proceed to be represented by a broker acting as a dual agent, they must both sign Consent for Dual Agency. If the buyer has previously signed this Consent for Dual Agency, the buyer must **affirm** the buyer's consent for the purchase of a particular property before an offer to purchase is presented to the seller. If the seller has previously signed Consent for Dual Agency, the seller must **affirm** the seller's consent for the sale of the property to a particular buyer before accepting an offer to purchase the property. The **affirmation** is contained on Page 2 of this form.

### Your Choices Concerning Dual Agency

In a possible dual agency situation, the buyer and seller have the following options:

1. **Consent in writing to dual agency.** If all parties consent in writing, the real estate broker or the broker's designee (the "dual agent") shall assign one real estate agent affiliated with the broker to represent the seller (the seller's "intra-company agent") and another agent affiliated with the broker to represent the buyer (the buyer's "intra-company agent"). Intra-company agents are required to provide the same services to their clients that agents provide in transactions not involving dual agency, including advising their clients as to price and negotiation strategy.
2. **Refuse to consent to dual agency.** If either party refuses to consent in writing to dual agency, the real estate broker must terminate the brokerage relationship for that particular property with the buyer, the seller, or both. If the seller terminates the brokerage agreement, the seller must then either represent him or herself or arrange to be represented by another real estate company. If the buyer terminates the brokerage agreement the buyer may choose not to be represented but simply receive assistance from the seller's agent, from another agent in that company, or from a subagent from another company. Alternatively, the buyer may choose to enter into a written brokerage agreement with a different company.

### Duties of a Dual Agent and Intra-Company Agent

Like other agents, unless the client gives consent to disclose the information, dual agents and intra-company agents must keep confidential information about a client's bargaining position or motivations. For example, without written consent of the client, a dual agent or intra-company agent may not disclose to the other party, or the other party's agent:

- 1) Anything the client asks to be kept confidential; \*
- 2) That the seller would accept a lower price or other terms;
- 3) That the buyer would accept a higher price or other terms;
- 4) The reasons why a party wants to sell or buy, or that a party needs to sell or buy quickly; or
- 5) Anything that relates to the negotiating strategy of a party.

\* Dual agents and intra-company agents must disclose material facts about a property to all parties.

### How Dual Agents Are Paid

Only the broker receives compensation on the sale of a property listed by that broker. If a financial bonus is offered to an agent who sells property that is listed with his/her broker, this fact must be disclosed in writing to both the buyer and seller.

### Consent for Dual Agency

I have read the above information, and I understand the terms of the dual agency. I understand that I do not have to consent to a dual agency and that if I **refuse** to consent, there will not be a dual agency; and that I may withdraw the consent at any time upon notice to the dual agent. I hereby **consent** to have

1. **DISCLOSURE/DISCLAIMER STATEMENT:** A property owner may be exempt from Maryland Residential Property Disclosure Act as defined in the Maryland Residential Property Disclosure and Disclaimer Statement. Is Seller exempt from the Maryland Residential Property Disclosure Act?  **Yes**  **No**. If no, see attached Maryland Residential Disclosure and Disclaimer Statement. If yes, reason for exemption: Vacant property--POA signs
2. **SMOKE DETECTORS:** Maryland law requires that **ALL smoke alarms be less than 10 years from date of manufacture. Also, BATTERY-ONLY operated smoke alarms must be sealed units incorporating a silence/hush button and long-life batteries.** Pursuant to Montgomery County Code, the Seller is required to have working smoke alarms. Requirements for the location of the alarms vary according to the year the Property was constructed. For a matrix of the requirements see: [www.montgomerycountymd.gov/mcfrs-info/resources/files/laws/smokealarmmatrix\\_2013.pdf](http://www.montgomerycountymd.gov/mcfrs-info/resources/files/laws/smokealarmmatrix_2013.pdf). In addition, Maryland law requires the following disclosure: This residential dwelling unit contains alternating current (AC) electric service. In the event of a power outage, an alternating current (AC) powered smoke detector will NOT provide an alarm. Therefore, the Buyer should obtain a dual-powered smoke detector or a battery-powered smoke detector.
3. **MODERATELY-PRICED DWELLING UNIT:** Is the Property part of the Moderately-Priced Dwelling Unit Program in Montgomery County, the City of Rockville, or the City of Gaithersburg?  **Yes**  **No**. If yes, Seller shall indicate month and year of initial offering: \_\_\_\_\_. If initial offering is after March 20, 1989, the prospective Buyer and Seller should contact the appropriate jurisdictional agency to ascertain the legal buying and selling restrictions on the Property.
4. **RADON DISCLOSURE:** A radon test must be performed on or before the Settlement Date of a "Single Family Home" in accordance with Montgomery County Code Section 40-13C (see <https://www.montgomerycountymd.gov/green/air/radon.html> for details) **A Single Family Home means a single family detached or attached residential building. Single Family home does not include a residential unit that is part of a condominium regime or a cooperative housing corporation.** The Seller of a Single Family Home (unless otherwise exempt below) is required to provide the Buyer, on or before Settlement Date, a copy of radon test results performed less than one year before Settlement Date, or to permit the Buyer to perform a radon test, but regardless, a radon test **MUST** be performed and both Seller and Buyer **MUST** receive a copy of the radon test results. **If Buyer elects not to or fails to perform a radon test, the Seller is mandated to perform the test and provide the results to the Buyer on or before Settlement Date.**

The following footnote references apply only if the table above has a foot number reference.

1. Phase in value comes from the data base at the Maryland Department of Assessments and Taxation <http://www.dat.state.md.us/>, Real Property Data Search. The phase in value is for the next fiscal year, if available, otherwise the phase in value is for current fiscal year.
2. Tax rates come from the current property tax bill, which also may include several non-tax charges, at the web page of the County Government's Department of Finance: <https://www.montgomerycountymd.gov/finance>. Look for a link to "Pay or view your property tax bill on line".
3. County Property Tax is the sum of the General Fund tax and several special fund taxes.
4. All non-tax charges (for example Solid Waste, Water Quality Protection, Bay Restoration Fund, WSSC) are the charges in the current fiscal year. These charges may be different in the next fiscal year.
5. This property is located in an **existing** development district. Each year a special development district assessment must be paid. Effective every July 1st, the rate will change based on changes in the property assessment and debt service requirements. More information is available in the FAQ section of this website.
6. You must update the estimate for the property taxes and other non-tax charges
  - a. Every July 1, because the tax rates, phase-in values, and other non-tax charges will or may change; AND ALSO
  - b. In early January if the calculation used the phase-in value for the current fiscal year instead of the phase-in value for the next fiscal year, because SDAT had not yet specified the phase in value for the next fiscal year. This occurs in the period July 1 - early January in the third year of the three year assessment cycle.
7. This property is located in a **proposed** development district. At some date in the future, development district taxes may be levied to pay debt service on bonds issued to build infrastructure in the district. It is important that property owners recognize that this additional tax may be levied in the future. The rate indicated above is an estimate and will change once the district is created and bonds are issued. More information is available in the FAQ section of this website.
8. The Proposed Estimated Total includes all actual and proposed taxes and non-tax charges relative to this property.
9. This is a one time charge assessed against this property and is not an annual fee. It should be paid before the property is sold and will remain due until paid.
