

Recent Home Sale: 10935 ROCKY MOUNT WAY - \$540,000

Remarks Relax on your rear deck overlooking lush greenery as you unwind after a busy day. This huge end unit townhome provides three bedrooms and a bonus room on the lower level that could be repurposed as a fourth bedroom. The basement is graced with a gas fireplace and french doors leading to the fenced in rear yard. The entire rear yard has been improved with brick pavers to provide additional entertaining space. As you enter the foyer, an open staircase leads you to the main level. There, you will find a bright sunlit living room, and a separate dining room which has been improved with hardwood floors and custom white plantation shutters. Located just steps from the dining room, you will find the kitchen that has been improved with Corrian countertops, and Stainless Steel appliances which include an upgrade built in microwave oven. The breakfast dining furniture is custom made (fabric covers) to match the two counter stools and will convey with the sale providing the purchaser desire to have them. The plantation shutters are consistent in this area and thru out the rest of the home. There is a powder room located on this area for added convenience. The upper level provides vaulted ceilings, new carpet, ceiling fans in bedroom two and three, and walk in closets with built in storage space. Some furniture items in the home are being offered for sale. Finally, please adhere to Covid regulations and wear a face mask prior to entering the home. Sanitation supplies are provided for your convenience.
